

Our Daily Schedule

Wylari

A predictable rhythm, not a stopwatch — times flex with the children's needs, and no child is ever forced to join an activity.

Building blocks worth scheduling every day: arrival & free play · breakfast · circle or story time · outdoor play (weather permitting) · planned activity (art, science, music) · lunch · rest / quiet time · afternoon snack · free choice · clean-up & pick-up prep. Post the finished schedule where parents can see it.
