

Your Recycling Is Our Art Cabinet

Wylari

Dear families,

Little hands go through a surprising amount of craft material, and some of the best supplies never come from a store. Before your next recycling day, would you set aside any of these for our project shelf? Check what you can send and drop it off at _____.

- | | |
|---|--|
| ☐ Cardboard tubes & small boxes | ☐ Yarn, ribbon & string |
| ☐ Egg cartons | ☐ Fabric scraps & felt |
| ☐ Clean plastic tubs with lids | ☐ Buttons, beads & sequins |
| ☐ Berry baskets | ☐ Wallpaper or paint-chip samples |
| ☐ Old magazines & catalogs | ☐ Bottle caps & corks |
| ☐ Printer paper (even one-side-used) | ☐ _____ |

Everything gets a wash or a once-over before it reaches the art table, and nothing with sharp edges or small-enough-to-swallow parts goes out for the littlest artists. Expect the occasional egg-carton caterpillar to come home as a thank-you.

Thank you for helping us make things!
